# **COURSE DESCRIPTION**

## **Garden Camp – Mrs. Vicki and Mrs. Becky**

Garden Camp will be a time of discovering and finding joy in many of God's gifts found in nature. We will learn about the basics of botany, and take part in hands on activities relating to our natural world around us. Quality children's literature, a variety of art techniques, music, cooking, and group activities will be explored with our senses.

## **Weird and Wacky Science- Mrs. Foy and Mrs. Monique**

Calling all Mad Scientists! Join us for a fun-filled morning of experiments and scientific exploration. Who: entering Pre- K 4 through entering 1st graders What: Daily science experiments, sensory experiences, and art projects with free exploration of classroom centers

## **1st grade Readiness - Mrs. Abadie**

This camp is for children entering the first grade this fall. It will be taught by Sallye Abadie, First Grade teacher at St. Luke's Episcopal School. The class will include reading readiness (phonics, alphabet, and sight words), math readiness, and writing. It will serve as a refresher of skills during the summer and give the children a taste of first grade.

## **CAMP OUT! – Mrs. Vicki and Mrs. Becky**

CAMP OUT will be a week of camping adventures at St. Luke's Episcopal School. Our week will focus on a variety of activities including cooking, crafting, outdoor games, nature hikes, water fun and singing! Be Prepared to have FUN, come CAMP OUT!

## **Meet the Masters – Mrs. Foy and Mrs. Monique**

How would you like to paint like Picasso? Who: entering Pre- K 4 through entering 1st graders What: Daily individual and group art projects inspired by famous artists. I'll get an

## **Arrgh you ready for 2nd Grade? - Mrs. Thibodaux**

Ahoy, me hearties! Ready yer sea legs and leave the landlubbers behind! Shiver me timbers, this will be a week of pirate fun! We'll brush up on our math skills in the morning, work on reading, writing, and language in the afternoon, and engage in some fun pirate activities during both. Jump aboard before this ship sails!

**3rd Grade Readiness – Mrs. Lubey**

This camp is for children entering the Third grade this fall. Third Grade Readiness will focus on Math skills. It will serve as a refresher of skills during the summer and give the children a taste of third grade.

**Road Rules –Ms. Bekah and Ms. Becca Hutchinson**

Who rules the road? Join us for a week of team building and friendly competitions. We will have daily challenges ranging from physical, to artistic and beyond! Each day we will be using the entire campus in new and creative ways!

**Creek Explores – Dr. Sullivan (4th-8th)**

Students will spend the week learning about the ecosystem of Ward's Creek next to our school. They will study flow rate, water quality, microbial life, pollution, and erosion. Projects will include building a minnow trap, making a solar still, and anything that inspires them as we explore our nearby waterway.

**Spanish Exploration! – Dr. Johnson**

Let's explore SPANISH! We will use our campus to explore Spanish culture in new ways. We will be connecting everyday words, sights and sounds to our ever-growing Spanish vocabulary.

**4th Grade Readiness – Mrs. Davis and Mrs. FaKouri**

This camp is for children entering the fourth grade this fall. 4th Grade Readiness will be focused on Math and Science skills. It will serve as a refresher of skills during the summer and give the children a taste of fourth grade.

**Hooked on History- Vikings – Ms. Leonard (5<sup>th</sup> – 8<sup>th</sup>)**

This camp is perfect for guys and girls who like to learn cool things about history while making stuff and having fun! Vikings might be best known for exploration and fierce fighting, but there's a lot more to their interesting culture. Some of the highlights of our camp include mythology, games, fighting techniques, and a feast.

### **Flag Football- Coach Austin**

Sharks flag football camp is the perfect program for your young athletes who want a complete introduction, or for those who simply want to brush up on their skills in preparation for league play in the fall. Through our \*skill of the day\* campers will learn skills on both sides of the ball including the core components of passing, catching and flag pulling. We will also have a competition to conclude our week, a spinoff of NFL's punt, pass, and kick where a winner will be crowned in each age group. The week will end in friendly tournament for everyone to showcase their newly acquired skills. We will have special guest coaches and speakers to discuss with us the meaning of sportsmanship and teamwork.

### **TEA-riffic – Ms. Leonard**

Did you know that tea is the world's most popular drink? Everyone in the South loves iced tea, but hot tea is an important part of many cultures. Some of the highlights of our camp include tea tasting, learning the tea rituals of different cultures, and preparing and enjoying a traditional English meal known as "Afternoon Tea."

### **Computer Aided Design – Mr. Johnson**

This course will teach the basics of SketchUp.

SketchUp is a 3D program for designers to use in 3D modeling. SketchUp specializes in architectural structures is frequently used for visualizing architecture, interior design, urban planning, engineering, and construction. However, any object can be modeled in SketchUp.

### **Volleyball – Coach Claire**

Let's brush up on our Volleyball skills! Campers will practice and learn multiple drills and new skills with friendly competition and team building exercises! to
